MARKET DRAYTON DOJO COVID-19 SAFE GUIDELINES

PLEASE NOTE – If any student feels unwell, or show signs or symptoms of Coronavirus then they **MUST NOT** train/attend the class! Any student who shows signs/symptoms of Coronavirus after training **MUST** inform Valor Combat Systems immediately.

The following Dojo (Training Room) 'mandatory' safety requirements will be in place: -

- ✪ Due to limited spaces, all students must pre-book their class via our Bookwhen website: - www.bookwhen.com/valorcombatsystems and accept our terms and conditions (these will be outlined when you pre-book via Bookwhen). Entry to the venue will be denied if you have not pre-booked online.
- ✪ There will be at least a 45 minute break between each class allowing safe and convenient times for each student to arrive and exit their pre-booked class. Once each class is finished, there will be no entry from those attending the next class until all students in the previous class have left.
- ✪ Please arrive no earlier than 10 minutes before the class and no later than the start time of the class, as entry will not be permitted (this is due to strict Covid-19 regulations).
- ✪ Any parents/guardians/adults dropping off and collecting their children will not be permitted to enter the class venue, or spectate within the Dojo (Training Room), if they need to stay, they will be required to wait outside of the building.
- ✪ All students must arrive pre-changed in their respective uniforms. New students are required to wear a loose top/jumper and tracksuit bottoms until eventual purchase of their Valor Ju Jitsu Gi/Valor Precision Combat uniform.
- ✪ Personal hygiene is of paramount importance and applies to all students when attending our classes. Finger and toe nails need to be cut short and long hair is required to be tied back. Students are required to train bare foot, unless suffering from any ailments e.g. verrucas, athletes foot etc. Approved training shoes or gripped socks must be worn and are to be brought to the class, then put on once inside the Dojo (standard socks are not permitted). Superflex Sports Shoes/Socks for children and adults are available to purchase for training from our new online shop - www.valorcombatsystems.co.uk/shop.
- ✪ 'Entry' and 'Exit' areas for each class will be clearly sign posted at the Beacon Community Centre. All students will enter the Beacon Community Centre via the Main Entrance front door, where they will be greeted by the Sensei who will then take them into the Dojo (no parent/guardian/adult will be allowed to enter the Beacon Community Centre). All students will exit the Dojo (Training Room) from the Main hall double doors leading onto the car park. The Sensei will call each individual student off the mat to collect their personal items, prior to being dismissed to their parent/guardian/adult (if applicable). Please remember to maintain social distancing on the car park when collecting any students.
- ✪ All students entering and exiting the Dojo (Training Room) are required to clean their hands at the automatic hand sanitisers located inside the Beacon Community Centre, at entry and exit points.
- ✪ A coned area for each student will be in place for personal items e.g. shoes and water bottles.
- ✪ The Dojo mats will be spaced out to comply with adequate social distance regulations, as outlined in the attached Market Drayton Dojo Plan on Bookwhen.
